

STUDY EXPERIENCE

Vaccines

Seasonal Flu
Pandemic Flu
Pneumococcal
Biodefense
Plague
Anthrax
Traveler's Diarrhea
Smallpox
DTP
Pediatric
Meningococcal
Herpes Zoster
HIV Vaccines
HPV

Metabolic

Obesity
Type II Diabetes
Metabolic Syndrome

Cardiovascular

Hyperlipidemia
Dyslipidemia
Hypertension

CNS

Migraines (all types)
Headaches (all types)
Smoking Cessation
Insomnia (PSGs)
Restless Leg Syndrome
Diabetic Peripheral Neuropathy
Alzheimer's Disease
Dementia
Age Associated Memory Loss
Multiple Sclerosis
Parkinson's Disease
Epilepsy
Neuropathic Pain

Chronic Pain

Osteoarthritis
Fibromyalgia
Gout
Chronic Lower Back Pain

Women's Health

Contraceptives (all types)
Hot Flashes
Osteoporosis
Sexual Dysfunction
Pre-Menstrual Syndrome
PMDD

Psychiatric

ADHD
Depression
Bipolar Disorder
Anxiety
PTSD
OCD
Binge Eating

Men's Health

Erectile Dysfunction
Genital Herpes
Male Hypogonadism
BPH

Podiatry

Onychomycosis
Tinea Pedis
Diabetic Foot Ulcer

Dermatology

Psoriasis
Rosacea
Acne
Cold Sores
Alopecia
Scars
Anti-Wrinkle

Gastroenterology

GERD
Heartburn
Erosive Esophagitis
Irritable Bowel Syndrome (all types)
Dyspepsia
Ulcers

Urology

Overactive Bladder
Urinary Incontinence
Urinary Tract Infection

Other areas include:

Infectious Diseases (including inpatient studies)
Healthy Volunteers
Pediatric trials
Ophthalmology / Retina
Specialist trials
Nutraceuticals
Over the Counter & Consumer Health
Device
Diagnostics
Biomarker studies

Coastal Carolina Research Center Experience by Indication

Acne
ADHD
Allergic Rhinitis
Alzheimer's Disease
Anthrax Vaccine
Anxiety
Atrial Fibrillation
Binge Eating
Biodefense Vaccine
Bipolar Disorder
BPH
Cholera Vaccine
Chronic Lower Back Pain
Cold Sores (Herpes Labialis)
Colo-rectal Cancer Detection
Common Cold
Contraception
Depression
COPD
Dementia
Diabetes (Type I)
Diabetes (Type II)
Diabetic Peripheral Neuropathy
Dyslipidemia
Dyspepsia
Epilepsy
Erectile Dysfunction

Erosive Esophagitis
Exacerbation of Chronic Bronchitis
Female Sexual Dysfunction
Flu Vaccine (all ages)
Fibromyalgia
Genetic Biomarkers
Genital Herpes
Genital Warts
GERD
Gout
Healthy Volunteer
Heartburn
Hepatitis
Herpes Zoster (Shingles)
Vaccine
H5NI (Avian) Flu Vaccine
H1N1 (Swine) Flu Vaccine
HIV
Hormone Replacement Therapy
Hot Flashes
HPV Vaccine
Human Papillomavirus (HPV)
Hypertension (including Ambulatory BP Monitoring)
Hypercholesterolemia (Cholesterol)

Hypogonadism
Influenza
Insomnia
Insomnia with PSG's
Irritable Bowel Syndrome
Macular Degeneration
Male erectile dysfunction
Medical Devices
Meningococcal Vaccine
Menstrual Migraines
Metabolic Syndrome
Migraine headaches
Migraines (Adolescent)
Migraine Prevention
Multiple Sclerosis
Neuropathic Pain
Nocturia
Obesity
Obesity in Diabetes
Obesity with dyslipidemia
Onychomycosis
Opioid Induced Constipation (OIC)
Osteoarthritis
Osteoarthritis of the knee
Osteoarthritis of the hip
Osteoporosis
Otitis Media

Overactive Bladder
Over-the-Counter Medications
Pandemic Flu Vaccine
Pediatric Nutraceuticals
Pharyngitis
Plague Vaccine
Pre-Menstrual Syndrome
Pneumonia
Pneumococcal Vaccine
Psoriasis
Restless Leg Syndrome
Rheumatoid Arthritis
Rosacea
Seasonal Allergic Rhinitis
Seasonal Flu Vaccine
Smoking Cessation
Stress Urinary Incontinence
Tension Headaches
Tinea Capitis (Ringworm of scalp)
Tinea Pedis (Athlete's Foot)
Toenail Fungus
Ulcers
Urinary Tract Infections
Vaginal Atrophy
Weight Loss

CCRC Staff:

Study Coordinators – 10
Research Assistants – 3
Data Entry Personnel - 2
Dietician - 1
Lab Manager and Support – 3
Recruitment Coordinators – 3
Retention Specialist - 1
Administrative Support – 3
All clinical staff HAZMAT and BCLS certified

If you would like more details about a potential clinical study opportunity with Coastal Carolina Research Center please contact:
